First, Second, and Third Quarters of FY 2017**

BEIJING, December 14, 2017 /PRNewswire/ - NQ Mobile Inc. (“NQ Mobile” or the “Company”) (NYSE: NQ), a leading global provider of mobile internet services, today announced its unaudited financial results for the first, second, and third quarters ended March 31, 2017, June 30, 2017, and September 30, 2017 respectively.

Beginning with this period for the reported results for the first, second, and third quarters of 2017, FL Mobile Jiutian Technology Co., Ltd (“FL Mobile”) and the live social mobile video business of Showself (Beijing) Technology Co., Ltd (“Showself”) have been classified as discontinued operations. Therefore, given the significance of FL Mobile and Showself’s live social mobile video business in previous periods, to enhance the comparability of these results going forward, the figures reported in this earning release have reflected these changes and the comparable periods presented have also been adjusted retrospectively. In addition, beginning with these reported results for the first, second, and third quarters of 2017 and going forward, the Company will report its revenue streams in the following two categories: Consumer and Enterprise. Revenues from consumers will consist of revenues from advertising services and revenues from other services (including mobile security revenues, excluding mobile gaming and mobile social network revenues which are part of the FL Mobile and Showself group which has been classified as discontinued operations). Revenues from enterprises will be broken down into product and service revenues. Revenues from products will come from hardware sales to enterprise users.
